City of Brownsville, Oregon Council Members stand with our neighbors, “Friends of Gap Road”, in their pursuit to “Say No” to Muddy Creek Energy Park; a proposed 1,600 Acre industrial solar facility approximately 10 miles South of Brownsville.

We agree with Friends of Gap Road’s opposition to the aforementioned project’s inappropriate use of High Value Exclusive Farm Use/Native Wetlands and its negative impact(s) to:

- ★ Loss of Agricultural Land
- ★ Removal of Wetlands
- ★ Wildlife
- ★ Water resources
- ★ Increased Wildfire Danger
- ★ Leaching Toxic Materials
- ★ De-valuation of neighboring properties
- ★ Serious economic impacts
